

At FutureSmart Tech Store, we aim to make your shopping experience as seamless and secure as possible. We support a variety of payment methods to suit your convenience.

Supported Payment Methods

1. Credit and Debit Cards

- Visa
- Mastercard
- American Express
- RuPay

2. Digital Wallets

- Paytm
- PhonePe
- Google Pay
- Amazon Pay

3. Net Banking

- Supported for all major Indian banks including HDFC, ICICI, SBI, Axis Bank, and more.

4. UPI Payments

- Seamless payments using Unified Payments Interface (UPI).

5. Cash on Delivery (COD)

- Available for select locations in India.
- Maximum COD limit: INR 10,000.

6. EMI Options

- No-cost EMI and standard EMI options are available for major credit cards.
- EMI options depend on the bank and card type.

7. Bank Transfers

- Direct bank transfers are supported for bulk or business purchases.

Payment Security

- All online transactions are processed through secure and encrypted gateways to ensure the safety of your information.
- We comply with the latest PCI DSS (Payment Card Industry Data Security Standard) guidelines.

Important Notes

- Ensure your payment method is active and has sufficient balance.
- For COD orders, please have the exact amount ready as delivery agents may not carry change.
- If a transaction fails, do not attempt multiple retries. Contact our support team for assistance.
